## G rard joined the firm in October 2002 and heads the firm's corporate practice.

He specialises in the areas of corporate law, mergers & acquisitions and general business law.

He advises mainly private equity and international financial groups on a wide array of domestic and international transactions and has a wealth of experience in advising corporations in relation to their general corporate affairs, joint venture transactions and corporate migrations.

Prior to joining the firm, G rard was corporate legal adviser in the financial engineering department of Ernst & Young Luxembourg and was responsible for restructurings on behalf of many international groups.

G rard has been admitted to the Luxembourg bar since 2004 and speaks English and French. He graduated with a "Licence en Droit", from the University of Louvain-la-Neuve, Belgium.

G rard is a Belgian national.
